

Scholarships offer students financial assistance for tertiary study. Most require the completion of an application form and a letter of recommendation from school. This is by no means a complete list of scholarships available. Most university websites have information on relevant scholarships and application forms can be downloaded. Websites and university scholarship offices should be your first port of call. School receives information about scholarships throughout the year so you must also check Career Notices on a Tuesday and the school website. For application forms see Ms Mercer or Mr Sinclair

Scholarship	Name of Firm	Eligibility	Value per annum	Closing Date
